Target Market

Description of target market, including likely objectives, financial situation and needs

The features of this product have been assessed as meeting the *likely objectives, financial situation and needs* of consumers who:

- meet the Issuer's eligibility criteria, including:
 - being 18 years or over;
 - being an Australian resident or being a New Zealand Citizen that resides in Australia or New Zealand;
 - having a good credit history (minor defaults may be considered satisfactory); and
 - being able to demonstrate the ability to repay the loan over a sustained period of time.
- are:
 - o self-employed; or
 - o salaried employees; or
 - o an Australian registered company; or
 - a trustee of an Australian family or unit trust (the beneficiary and Trustee must meet the eligibility criteria of an individual or a company);
- require a loan to:
 - fund the purchase or refinance of an owner occupied or investment residential property; or
 - fund the construction of an owner occupied or investment residential property;
- require progressive drawdowns where the loan is obtained for a construction purpose;
- require a loan for equity release;
- require a loan for debt consolidation;
- require a variable interest rate;
- require access to features like a redraw facility and/or offset account;
- require flexibility in repayments, and the ability to make additional repayments without penalty; and
- require the option of either principal and interest or interest only repayments.

The product meets the likely objectives, financial situation and needs of consumers in the target market because it enables consumers to:

 make additional repayments and/or deposit funds into an offset subaccount to reduce interest payable whilst retaining the ability to draw on those funds when required; and

Classes of consumers for whom the product may not be suitable

This product may not be suitable for consumers who

- do not meet the Issuer's eligibility criteria;
- are not Australian residents;
- require a fixed interest rate period;
- require an interest only repayment period which is greater than 5 years;
- require a loan amount which is less than the minimum loan amount; or
- require a loan amount which is greater than the maximum loan amount.

Distribution Channel and Conditions

The following distribution channels and conditions have been assessed as being appropriate to direct the distribution of the product to the target market:

- Authorised mortgage managers: The Issuer only permits mortgage managers authorised under a Mortgage Origination and Management Agreement agreed with the Issuer to distribute this product; and
- Accredited mortgage brokers: Only mortgage brokers who are accredited by the Issuer can distribute this product; and
- Authorised sales representative: Directly via appropriately authorised employee by the Issuer.

The distribution channels and conditions are appropriate because our distributors:

- include accredited mortgage brokers who are subject to the duty to act in the best interests of the consumer to ensure that the product is in the best interests of the particular consumer, if it is recommended to the consumer;
- are provided with detailed product specifications to assist the distributor's assessment of consumer suitability;
- are trained on the Issuer's Credit Policy (including the credit eligibility criteria for the product) to ensure that the product is only distributed to consumers in the target market set out in this TMD;
- are subject to mandatory compliance with periodic quality assurance reviews undertaken; and
- are required to assess each loan application to ensure the consumer satisfies the Issuer's eligibility criteria and the loan is not unsuitable for the consumer in light of the consumer's requirements, objectives and financial situation.

Further, loan applications are not accepted by the Issuer from distribution channels that are not specified in this TMD.

Review Triggers

If a review trigger occurs, or if an event or circumstance has occurred that would reasonably suggest that the TMD may no longer be appropriate, the Issuer will undertake a review of this TMD.

The following review triggers would reasonably suggest that the TMD may no longer be appropriate:

- a significant dealing of the product to consumers outside the target market occurs:
- a significant increase in complaints are received from consumers who
 acquired the product, relating to the design or distribution of the product
 in any calendar quarter;
- material changes are made to the product specifications or terms and conditions, including features, key attributes, fees and eligibility criteria outlined in the Issuer's Credit Policy;
- there are high rates of refinancing for this product within the first two years that consumers have taken out the product;
- 10% or more of gross loan receivables are in arrears of 30 days or more for this product; and
- there are material regulatory changes or updated regulator guidance that may impact the design or distribution of the product.
