Target Market	<i>Description of target market, including likely objectives, financial situation and needs</i>	
	The features of this product have been assessed as meeting the likely objectives, financial situation and needs of consumers who:	
	<ul style="list-style-type: none">• meet the Issuer’s eligibility criteria, including:<ul style="list-style-type: none">○ being 18 years or over;○ being an Australian resident;○ having adverse credit history or mortgage arrears due to an adverse life event (such as unemployment);○ discharged from bankruptcy (if applicable); and○ borrowers that may require alternative income verification.• are:<ul style="list-style-type: none">○ self-employed; or○ salaried employees; or○ an Australian registered company; or○ a trustee of an Australian family or unit trust (the beneficiary and Trustee must meet the eligibility criteria of an individual or a company);• require a loan to fund the purchase or refinance of an owner occupied or investment residential property;• require a loan for debt consolidation;• require a variable interest rate;• require access to features like a redraw facility and/or offset sub-account;• require the ability to make additional repayments without penalty; and• require the option of either principal and interest repayments or interest only repayments.	
	The product meets the likely objectives, financial situation and needs of consumers in the target market because it enables consumers to: <ul style="list-style-type: none">• make additional repayments and/or deposit funds into an offset sub-account to reduce interest payable whilst retaining the ability to draw on those funds when required; and• finance the purchase or refinance of an owner-occupied or investment residential property with the ability to make principal and interest repayments to build equity in the property; or• finance the purchase or refinance of an owner-occupied or investment property with the ability to make interest only repayments and benefit from lower repayments during the interest only period. This may enable consumers to make lower repayments, repay other higher interest debts, or claim tax benefits as an investor.
